

Meet our surgeons

Our team of talented surgeons is delighted to help you embark on this life-changing journey. Our surgeons are experts in bariatric procedures and are dedicated to providing you with the best care, answering all of your questions along the way.

Phillip D. Price, MD

PHILLIP D. PRICE, MD is a board certified surgeon with Mid Ohio Surgical Associates and also serves as program director for bariatric surgery for the Mount Carmel Health System.

He earned his undergraduate degree from Capital University and his doctorate in medicine degree from The Ohio State University College of Medicine. Dr. Price completed his residency at Mount Carmel Health.

Dr. Price has published numerous papers on bariatric

and laparoscopic procedures and is active in the medical community. He is a Fellow with the American College of Surgeons and holds memberships in the American Society for Bariatric Surgery, International Federation for the Surgery of Obesity, Society of Laparoendoscopic Surgeons, the Ohio State Medical Association and Columbus Medical Association.

In his free time, Dr. Price is active in scouts and sports with his three busy sons.

Marcus R. Miller, MD

MARCUS R. MILLER, MD is a board certified dedicated surgeon at Mid Ohio Surgical Associates.

An Ohio native, Dr. Miller completed his undergraduate work at The Ohio State University and finished his medical doctoral work at Wright State University in Dayton, Ohio. His surgical residency was conducted at Mount Carmel Hospital in Columbus, Ohio.

Dr. Miller is a Fellow with the American College of Surgeons, holds memberships in the American Society for Bariatric Surgery, Society of Laparoendoscopic Surgeons, Ohio State Medical Association and the Columbus Medical Association.

In his spare time, Dr. Miller enjoys Ohio State Football, traveling and soccer.

Patricia Smith Choban, MD

PATRICIA SMITH CHOBAN, MD is a board certified talented surgeon with Mid Ohio Surgical Associates and serves as an adjunct professor of human nutrition at The Ohio State University.

Dr. Choban completed her medical doctorate at Case Western Reserve in Cleveland, Ohio. She finished her residency at Eastern Virginia Graduate School Of Medicine. She completed a fellowship in Clinical Nutrition at Hampton Veterans Administration Medical Center.

Dr. Choban is nationally renowned for her work in bariatrics. She was appointed National Faculty for Bariatric Surgery by the American College of Surgeons

in 2003 and was appointed to the Federal Food and Drug Administration (FDA) panel reviewing the "LAPBAND" device.

Among her many professional affiliations are the American Institute of Nutrition, the American Obesity Association, American Society for Clinical Nutrition, American Society of Bariatric Surgeons, the Ohio State Medical Association and Columbus Medical Association. She is also a Fellow with the American College of Surgeons.

In her free time, Dr. Choban enjoys needlework and attending sporting events with her husband and two sons.
